

## On the Knees of Our Hearts for...

- Many to come to Christ during these days
- That as the state and country opens, we remain diligent in our social distancing efforts
- Those in our C3 family with ongoing health problems
- Those feeling alone and isolated while staying home
- C3 Leaders as they plan for us to worship together in person again
- Wisdom for our country's leaders: National, State and Local
- Our TAWC (Time Alone With Christ) will be meaningful
- Our families will be closer and stronger because of their time together
